

SECTION 44 TRAINING

Do you know your responsibilities?

Under the Mines Safety Inspection Act 1994, Employers, Managers and Supervisors have responsibilities and duties that must be undertaken. Section 44 training will give you a better understanding of these responsibilities and duties.

Who will benefit from this training?

- Managers
- Exploration Managers
- Appointed Persons
- Supervisors
- Health and Safety Representatives

ISPL offer a range of delivery options for this face to face training:

- Integrate Sustainability Office in West Perth (small groups)
- Client Offices or Onsite plus
- Other locations in Perth or Regional Centres for large groups

This course can be charged per head or for a fixed price based on the size of the group and/or location.
